EDIN SIKIRA

FRONT END DEVELOPER

<https://edinsikira.pages.dev/>

CORE SKILLS

- HTML
- CSS
- JavaScript
- React
- Sass

ABOUT

I am an energetic, ambitious person who has developed a mature and responsible approach to any task that I undertake, or situation that I am presented with. As a front end developer with one year of experience in creating beautiful and functional front end websites and applications, I am also cooperative and adaptable to any work environment to achieve a certain objective on time and with a professional attitude.

SOFT SKILLS

- Problem solving
- Creativity
- Adaptability
- Flexibility
- Results-driven

PROJECTS

AUDIOPHILE E-COMMERCE

This is an e-commerce website where users can see products, add them to the cart and go through the purchase process with an order confirmation message at the end.

SUPERCHAT

This app represents a group chat. The user first needs to create an account, either with email or with google. After signing in, the user can send messages to the group chat and interact with other users.
